

Arizona PRIDE

Advanced Respiratory Research for Equity (AiRE) Research Career Training Program

THE UNIVERSITY OF ARIZONA
HEALTH SCIENCES

AZ-PRIDE

Advanced Respiratory
Research for Equity

The primary objective of the AiRE program is to provide advanced training in an interprofessional environment to qualified candidates from backgrounds underrepresented in the biomedical sciences, who are committed to addressing lung disparities through impactful research from basic to the full translational continuum and implementation. AZ-PRIDE mentees will receive training that facilitates successful team science career development and that contributes to decreases in health disparities.

AiRE Mentees will receive training that facilitates successful team science career development, including funding for a small research project.

Training will include Didactic instruction in:

- Grantsmanship (NIH Style writing, and reviewing grants)
- Scientific Writing, Presentations, and Bioethics
- Advanced Research Methodology (Tailored to trainee needs) in the following content areas:
 - Community-Based Participatory Research, Design & Analysis of Health Outcomes & Effectiveness Research, Basic and Advanced Epidemiological/Bio-statistical Methods, Transomics and Biomarker discovery, Data-science and machine learning, Wearables and devices
- Interprofessional Career/Leadership Development
- Structured Mentoring by a team of content experts
- Research experience (includes funding for select small projects) with mentor/instructor support in:
 - Conceptualization, Design, Implementation, Analysis, Reporting
- Writing workshops:
 - Abstract/Poster/Audiovisual content writing, Scientific publications, Research report composition, Dissemination strategies

All Expenses Paid Program!

The AiRE program will provide advanced research career training in lung and sleep-related breathing disorders.

Program Components

- Summer Institute I
– Tucson, AZ (July 14-24, 2019)
- Mentoring and Didactic Instruction (*ongoing*)
- Mid-Year Visit – Tucson, AZ (January 2020)
- Annual Meeting for PRIDE Scholars – Bethesda, MD (Spring 2020)
- Summer Institute II – Tucson, AZ (July 12-18, 2020)

Eligibility

Junior Faculty members underrepresented in the biomedical sciences workforce.
