**What?**
An all expenses paid research career-advancing opportunity supported by NHLBI.

Nine Summer Institutes with mentored research training programs address difficulties in establishing independent research programs and in negotiating academic ranks.

Desired outcome is to improve recruitment and retention of faculty from disabled or underrepresented groups in heart, lung, blood, and sleep studies.

Training Includes:
- Didactic courses
- Grant writing and grantsmanship courses
- Special topic conferences and lab skills
- Mentoring networks
- Small Research Project (SRP)

**Who?**
U.S. citizen or permanent resident who is a junior faculty member holding a doctoral degree, such as a PhD, MD, DO, DVM, or a transitioning post-doctorate trainee, and is from a group that is underrepresented in the biomedical or health sciences.

A successful applicant also must have a research focus that is centered on heart, lung, blood or sleep (HLBS) disorders, involving various methods such as health disparities or sleep disorders or other approaches.

---

**How to Apply**

Complete Online Pre-Application Form
[https://pridecc.wustl.edu/](https://pridecc.wustl.edu/)

Upon request, complete Full Application

**Full Application Includes**
- Letter of support from Department Chair allowing trainee to fully participate, i.e.,
  - 5% protected effort throughout the program
  - 33% effort during the summer months
  - Access to institutional resources for preparing grant applications
- A statement of research interests, a Curriculum Vitae and Biosketch
- Complete Pre-Application and Full Application
- Letters of Recommendation from Department Chair and Mentor or Colleague

---

**All Expenses Paid**

- Choose from 9 dynamic Summer Institute programs offering career-advancing opportunities for junior faculty and research scientists
- **Mentored** Training programs facilitate developing
  - Research skills
  - Grant writing skills
  - Long-term mentoring networks and collaborations
- Attend Institute for 2 summers
- Attend Annual Meeting and Conference
- Small Research Project (SRP) awards to fund pilot research projects
